

Web Labs

Build your online marketing with step-by-step guidance
Saturdays in Hillcrest

In these hands-on sessions you'll complete REAL projects:

Online Marketing Plan
Small Business Video
Social Media Campaign
Local Search Tune Up
Home Page Optimization
Facebook & Instagram Pages
Graphical Email Promo
and More!
Open Labs to work on your projects with assistance too.

About the Presenter Ame Stanko: After graduating from UCSD I began working in multimedia and have since helped hundreds of organizations with websites, graphic design and multimedia. I love teaching people how to manage their own websites and online marketing. Whether you're a small business, nonprofit, or individual, these labs will help you attract new clients, save money, boost your job skills, and get inspired!

One Lab: \$35

Season Lab Pass: All 22 sessions for \$385 (50% off!)

Learn and have fun *while* boosting your business
